Can You Help Pope Francis?

On October 10, Pope Francis inaugurated a two-year synodal process which will culminate in a universal Synod scheduled to take place in Rome in October 2023.

The word "synod" means "journeying together." This current experience of synod is unique in that Pope Francis is intending this process of "journeying together" be expanded to include all the baptized members of the Church.

The primary aim of this listening session is not to change the Church's doctrines or disciples according to popular opinions, but to call the Church to ongoing conversion and deeper communion with each other and with a God.

It is with this in mind that we begin the synodal process in the Diocese of Owensboro. During the months of January and February, 2022, each parish is encouraged to host listening sessions to which you are invited. You are requested to reflect on questions about *your personal experience of the church and how the church lives its mission to proclaim Christ. You will reflect upon the things you treasure most about our church as well as the things that distress or pain you.* A key component of the listening will include ways to bring to the table the voices of those who are easily ignored or marginalized.

I strongly encourage you to take part in your parish listening session in person and then join me in March at a regional listening session.

- Bishop Medley

ALL ARE WELCOME - IF YOU ARE A VISITOR TO OUR CHURCH, WE WANT TO WELCOME YOU. IF YOU ARE NEW TO THE PARISHES, CALL 273-3185 OR STOP BY THE OFFICE DURING OFFICE HOURS TO REGISTER.
