

# Come learn and play with us!

The background of the entire page is a blue-tinted illustration. It features silhouettes of children playing in a park. On the left, a child stands with arms raised, reaching for a ball. In the center, a child sits on a swing set. To the right, another child runs with a ball, and further right, two children are walking together, one pointing towards the sky. The scene is set under a large tree with many leaves, and several butterflies are scattered throughout the grassy area.
