

**Dear friends in Jesus Christ,**

How many of you would like to see God face-to-face? If you are ready, would you please schedule a 40 day journey for it? The season of Lent is offering a special offer to see the face of God on Easter. Knowingly or unknowingly, we all have signed up for the 40 days journey. Beginning on Ash Wednesday by receiving ashes, we all expressed our unworthiness, at the same time expressed our willingness through fasting, prayer and almsgiving, proclaiming the mission statement of Jesus and John the Baptist; *“Repent and believe in the Gospel, for the Kingdom of God is at hand.”* Repentance and believing in the Gospel are mandatory for an effective fasting, prayer and almsgiving during this lent, like Jesus. Yes, it is an invitation to fast from sin, like Jesus with the help of Word of God. We can pray like Jesus and be an arm for the poor, needy and the abandoned like Jesus. This season of lent is also an invitation to enter into a retreat, which means to treat ourselves and others in accordance with the will of God. Are you ready to be treated by repentance and the word of God to see the face of God?

In the Gospel we see, Jesus is spending forty days and nights of solitude, prayer and fasting in the wilderness. What is the significance of 40 days? In the Old Testament, forty days was often considered as a significant period of testing and preparation for entering into a covenant relationship with God. In the days of Noah, God destroyed the earth and all the creatures in it, because they completely rejected God, during which we see that Noah and his family were spared because they obeyed God and took refuge in the ark for 40 days and nights, after which God made His covenant with Noah. Again, when God freed the people of Israel from Egypt, He brought them into the wilderness of Sinai, under the leadership of Moses. While they were in Sinai, Moses went to the mountain of the Lord at Sinai and remained there in prayer and fasting for forty days. After forty days God made a covenant with Moses and the people. Prophet Elijah fled into the wilderness and traveled forty days to the mountain of God at Sinai.

Today, the Gospel of Mark emphatically says *“The spirit immediately drove him out into the wilderness.”* One might ask-why Jesus was compelled to seek solitude for such a lengthy period? The word *‘tempt’* in English usually means to entice to sin, but biblically the word *‘tempt’* means to prove and purify someone to see if he or she is fit for the task at hand. We test pilots to see if they are fit to fly. Likewise God tests His servants to see if they are fit to be used by Him. God tested Abraham to test his faith. God allowed Satan to test the faithfulness of

Job. Jesus was no exception. Be sure, you and I are no exception. But let us not be scared, Jesus has shown us the way to defend temptations in our lives. Remember how Jesus defeated the temptations of Satan-by the power of the word of God. Yes, by repentance let us open up our hearts to receive the word of God and this is the only way to enter into the Kingdom of God-*“Repent and believe in the God, for the Kingdom of God is at hand.”*

Dear friends, let us all march forward focusing on the face of God through repentance and believing in the Word of God. During our journey, let us not forget to fast, pray and help the other. **God Bless.**

**Parish Volunteers**

Volunteers play an integral role at the parish level. They are relied on and appreciated much by pastors and parish staff! Our hope and prayer is that as more vaccines are administered, both catechetical and social activities for youth and families will return as we eventually are able to meet in person. In order to prepare for life to return to “normal”, our volunteers are encouraged to complete their Safe Environment training and background checks and sign their policy acknowledgements. For any questions please contact Janice Hendricks at 270-683-1545. Thank you!
